**Re:** Clear Lake Christian Summer Camp

---

The well-equipped Grace Brethren Camp is rented and used for our Clear Lake Christian Camps. Camp is scheduled for July 7th-12th, 2019. The ages for the campers attending camp are students going into 4<sup>th</sup> grade through 12<sup>th</sup> grade. Camp will include times of worship and praise, Bible classes and small group times, sermons and classes, firesides with praise and lessons, recreation, and fun physical activities with spiritual lessons. Recreation at camp includes: boating on (row & paddle boats) & swimming in (if permitted) Clear Lake, Gym activities like volleyball and basketball, obstacle courses, water games and water slides, hiking, and a variety of board games. Facilities include: bathroom/showers, cabins/dorms, chapel, gym, cafeteria, lake with dock and row boats, and snack-shack.

As we prepare for another year, we would like to request your church's prayer and financial support. Since we try to keep camp costs and tuition as low as possible and we do not charge our volunteer counseling and support staff a fee as many of them already have to take time off work, please make every effort to help cover the cost of all students you are sending.

We are also asking that you will begin or continue recruitment of volunteer staff especially counselors and life guards. We have included in this packet "Staff Commitment Forms" to help in this effort. These will need to be filled out by all participating staff members **and** church leaders and returned to Darrell Chase, Jr. as soon as possible. **(14211 29<sup>th</sup> Ave S, SeaTac WA 98168)**. We asked that all churches represented at camp have an adult staff present at camp.

**NEW:** All staff will have to register with staff registration form as our registering online has changed this year. You can get more registration forms by visiting [www.glenacres.org](http://www.glenacres.org) and clicking on the Clear Lake Christian Camp link. But all form, from students and staff, should go back to one registrar person chosen by your church to complete the online registration. Once a person has been chosen, please contact Darrell Chase and let him know so he can provide the online registration information to them. All forms once registered, than need to be sent to Darrell Chase, Jr. at the above address.

All counselor or staff will be receiving by mid to late-June (in the mail or by e-mail) a packet of information to help them plan for their participation. If you know an adult who thinks they are coming to camp that hasn't been contacted by our manager by July 1st, please contact Darrell Chase Jr., Travis Rowden or Mike Kennedy and let them know so they may get this packet of important information.

We've included a master copy and sample of the registration forms for your convenience. We thought it would be better for each church to make the copies more appropriate for what they would need rather than for us to waste the paper on unnecessary copies. Also included, is a copy of the packing instructions and parent letters and follow-up information master sheets for you to make copies for the parents and all who are coming. Remember, these packing instructions should go into the hands of all who are attending. All camp documents can also be downloaded by visiting [www.glenacres.org](http://www.glenacres.org) and clicking on the Clear Lake Christian Camp link.

Thanks for all your efforts in making this year's Clear Lake Christian Camps a success! May God bless all of our efforts for these young people! Thanks for your service!
